LAB-REPORT

Course Title : **Computer graphics Lab.**

Course Code : **CSE-422(lab).**

Experiment No: 01.

Experiment Name: Installation process of OpenGL with Codeblocks**.**

Submitted To *:*

     Name : Md.Atik Asif Khan Akash (LECTURER).

     Department of : CSE.

     Daffodil International University.

Submitted By *:*

Name: MD. Hasan Ahmad.

ID: 201-15-3160.

Department of : B.sc in CSE.

Section : **PC-D.**

Date of submission: 25/01 / 2023.

Installation process of OpenGL with Codeblocks

❖ Download & Install Codeblocks 10.05 with minGW (<u>Click here</u>)
By using this link first download codeblocks version **10.05** and install
that according the process.

❖ Download glut-3.7.6-bin.rar (<u>Click here</u>) from the link and then extract the
file .

  ▪ Copy <mark>glut32.dll</mark> To .....

    • C:\Windows\System32 **[If your PC is 32 bit]**
    • C:\Windows\SysWOW64 **[If your PC is 64 bit]**

  ▪ Copy **Glut32.lib** to C:\programfiles(x86)\codeblocks\MinGW\lib
  ▪ Copy **Glut.h** toC:\programfiles(86)\codeblocks\MinGW\inclue\GL
